

National Agriculture Day

Did You Know?

- Nebraska agriculture contributes more than \$9 billion to Nebraska's economy each year.
- Twenty-two percent of all Nebraskans are employed in farm or farm-related jobs.
- Nebraska's farms and ranches utilize 46.4 million acres — 96% of the state's total land area.

We should all take pride in Nebraska agriculture!

“Celebrate Nebraska Agriculture”

National Ag Week
March 14-20, 2004
